GAME BIRD HUNTING Code Of Conduct

Fish and Game New Zealand actively promotes responsible and ethical hunting practices. As game bird hunters we all have the following responsibilities, as detailed in the Game Bird Hunting Code of Conduct:

Hunt Humanely

- Shoot only within the effective range of our firearm and our capabilities, and only when a quick, clean kill is likely
- Retrieve all shot birds promptly and dispatch wounded game birds quickly and humanely
- Respect the resource, value our game birds and eat what we shoot

Protect Game Bird Resources And Our Hunting Traditions

- Understand and observe all hunting regulations and licensing requirements
- Support game bird management and habitat enhancement activities
- Take no more than our immediate needs
- Share our knowledge and foster ethical attitudes and behaviour in hunting companions and youth

Care For The Environment

- Remove all rubbish from the hunting area and dispose of offal and carcasses responsibly
- Use non-toxic shot and biodegradable products.
- Use established tracks and roads

Respect The Rights Of Others

- Respect private property and always obtain access permission
- Be considerate of non-hunters
- Be aware of our safety and the safety of others when hunting

- Comply with the Arms Act 1983 and always follow the 7 Firearms Safety Rules:
 1. Treat every firearm as loaded
 2. Always point firearms in a safe direction
 3. Load a firearm only when ready to fire
 4. Identify your target beyond all doubt
 5. Check your firing zone
 6. Store firearms and ammunition safely
 7. Avoid both alcohol and drugs when handling firearms

For further guidance about responsible game bird hunting read the full Code of Conduct at www.fishandgame.org.nz

Stop The Spread Of Aquatic Pests

Protect our waters: **CHECK, CLEAN, DRY.** Check dogs, boots, decoys, boats and their trailers before you leave the area.

Hunting Licence Valid Nationwide

All game bird hunting licences can be used in all Fish & Game New Zealand regions. Day licences are valid only on or after the second Monday of the new season. It's important to note that if you're hunting in other regions you need to read up on the local regulations at www.fishandgame.org.nz. Fish & Game New Zealand sports fish and game licences are issued online, are processed electronically and comply with the Electronic Transactions Act 2002. Licences are issued centrally by a person authorised to issue licences on behalf of each Fish and Game Council.

Game Bird Habitat Stamp

A game bird habitat stamp must be displayed on every licence to hunt or kill game¹. The purpose of the Habitat Stamp Programme is to raise funds for habitat enhancement. Five dollars (\$5)² of the game licence fee is assigned to the stamp as income for the programme.

If you own or help manage suitable game bird habitat including wetlands, you are welcome to apply for funds raised from the habitat stamp programme. To apply see the Game Bird Habitat Trust website <https://fishandgame.org.nz/environment/protecting/protecting-nz-game-bird-habitats/the-nz-game-bird-habitat-trust> for details. Applications close June 30.
