GAME BIRD HUNTING Code Of Conduct

Fish and Game New Zealand actively promotes responsible and ethical hunting practices. As game bird hunters we all have the following responsibilities, as detailed in the Game Bird Hunting Code of Conduct:

Hunt Humanely

- Shoot only within the effective range of our firearm and our capabilities, and only when a quick, clean kill is likely
- Retrieve all shot birds promptly and dispatch wounded game birds quickly and humanely
- Respect the resource, value our game birds and eat what we shoot

Protect Game Bird Resources And Our Hunting Traditions

- Understand and observe all hunting regulations and licensing requirements
- Support game bird management and habitat enhancement activities
- Take no more than our immediate needs
- Share our knowledge and foster ethical attitudes and behaviour in hunting companions and youth

Care For The Environment

- Remove all rubbish from the hunting area and dispose of offal and carcasses responsibly
- Use non-toxic shot and biodegradable products.
- Use established tracks and roads

Respect The Rights Of Others

- Respect private property and always obtain access permission
- Be considerate of non-hunters
- Be aware of our safety and the safety of others when hunting

- Comply with the Arms Act 1983 and always follow the 7 Firearms Safety Rules:
 1. Treat every firearm as loaded
 2. Always point firearms in a safe direction
 3. Load a firearm only when ready to fire
 4. Identify your target beyond all doubt
 5. Check your firing zone
 6. Store firearms and ammunition safely
 7. Avoid both alcohol and drugs when handling firearms

For further guidance about responsible game bird hunting read the full Code of Conduct at www.fishandgame.org.nz

Stop The Spread Of Aquatic Pests

Protect our waters: **CHECK, CLEAN, DRY.** Check dogs, boots, decoys, boats and their trailers before you leave the area.

Hunting Licence Valid Nationwide

All game bird hunting licences can be used in all Fish & Game New Zealand regions. Day licences are valid only on or after the second Monday of the new season. It's important to note that if you're hunting in other regions you need to read up on the local regulations at www.fishandgame.org.nz. Fish & Game New Zealand sports fish and game licences are issued online, are processed electronically and comply with the Electronic Transactions Act 2002. Licences are issued centrally by a person authorised to issue licences on behalf of each Fish and Game Council.

Game Bird Habitat Stamp

A game bird habitat stamp must be displayed on every licence to hunt or kill game¹. The purpose of the Habitat Stamp Programme is to raise funds for habitat enhancement. Five dollars (\$5)² of the game licence fee is assigned to the stamp as income for the programme.

If you own or help manage suitable game bird habitat including wetlands, you are welcome to apply for funds raised from the habitat stamp programme. To apply see the Game Bird Habitat Trust website <https://fishandgame.org.nz/environment/protecting/protecting-nz-game-bird-habitats/the-nz-game-bird-habitat-trust> for details. Applications close June 30.

¹ Section 19A(1) of the Wildlife Act 1953

² Section 72(3A)9e) of the Wildlife Act 1953

Shotguns And Use Of Non-Toxic Shot

This ban is mandatory across all lands (public and private) whilst hunting waterfowl within 200 metres of all waterways and wetlands.

For more information refer below or to www.fishandgame.org.nz

Wildlife Act 1953

The hunting of game is governed by the provisions of the Wildlife Act 1953. The Minister for Hunting and Fishing declares an open season for game annually in the New Zealand Gazette (see below). Some important provisions of the Wildlife Act are covered here. The Act and its companion Wildlife Regulations 1955 can be viewed in full online: <http://www.legislation.govt.nz/>

Hunting In Central South Island (CSI)

Public Lands

Many of Central South Island's larger riverbeds and lakes are public lands. It is still important to advise the adjoining landowner when you wish to hunt these areas. This common courtesy often results in the farmer providing useful information and better access.

Game bird hunting on Department of Conservation managed land is available in certain areas, and to hunt there, you require a DOC game bird hunting permit. Unlike big game hunting permits, DOC game bird hunting permits are unavailable from the website. Instead, you must obtain them and any other localised information by contacting or visiting the relevant DOC office. The permits detail unique restrictions and conditions to the DOC district issuing the permit. Be sure to abide by these conditions, as this will ensure hunting continues to be available on DOC land in future.

DOC District Office Contacts:

- Raukapuka / Geraldine District Office: ph. 03 6931010, e-mail esienquiries@doc.govt.nz
- Te Manahuna / Twizel District Office: ph. 03 4350802, e-mail esienquiries@doc.govt.nz

Northern Regional Boundary

The Rakaia Riverbed is not within the CSI Fish and Game Region. The region's northern boundary adjacent to the Rakaia River extends along Acton Road, Rakaia Barrhill Methven Road and Rakaia River Road.

Rangitata Diversion Race

Hunting along the Rangitata Diversion Race is possible but strictly with permission from RDR Management Ltd (ph. 03 3080828) and the adjoining landowners.

Wainono Lagoon

Wainono Lagoon is near the township of Waimate and some 35 km south of Timaru. Adjacent to the coastal shingle beach barrier, the lagoon (lake) at its normal water level (1m above sea level) covers about 350 hectares. The beach barrier, lagoon, and surrounding wetlands provide habitat for some 57 different bird species, many resident and others migratory. Wainono Lagoon is a 'Conservation Area' managed by the Department of Conservation (DOC). Hunting is permitted and DOC game bird hunting permit is required. This can be obtained free of charge by phoning 03 6931010 or esienquiries@doc.govt.nz. There is no ballot system for the lagoon and many of the existing stands are reserved for traditional hunters. Other than possibly during Opening Weekend, there is still plenty of opportunity for visiting hunters

Access to the lagoon:

- North side – via Hook Beach Road and then a 4WD track along the beach
- Middle – via Wainono Lake Road; a track opposite Waimate turnoff on SH1
- South side – via Foleys Road and then Poindestres Road over the Dead Arm Bridge to the beach and then a rough four-wheel drive or a walking track along the beach past Maori Lake and the Wainono Wetland Reserve.

Balloted Stands

Depending on water levels, CSI Fish and Game has between 11 and 15 stands available for hunting the Opening Weekend on wetlands it owns or manages. Ballot information, maps and application forms are available on the CSI page of the www.fishandgame.org.nz website, or by contacting the CSI Fish and Game Office in Temuka. Ballot applications are accepted from 1 February to 1 March and the ballot is drawn on the next working day.

WETLAND PERMITS

Any game bird licence holder wishing to hunt Fish & Game managed wetlands after Opening Weekend is required to obtain a permit from the Central South Island Fish and Game Office in Temuka. Permits can be obtained from www.fishandgame.org.nz (Central South Island page) or by contacting the CSI office in Temuka. Obtaining a permit will ensure you have up-to-date information on access requirements and rules.

Wainono Wetland Reserve

Wainono Wetland Reserve adjoins Wainono Lagoon at its southern end and is separated by a stop bank. CSI Fish and Game Council owns the reserve and administers a ballot for nine hunting stands each Opening Weekend. To hunt this wetland after Opening Weekend you must obtain a permit from CSI Fish and Game. Access to the Wainono Wetland Reserve from State Highway 1 is via Foleys Road, Hannaton Road and then Poindestres Road over the Wainono Lagoon outlet creek bridge to the beach and then a rough four-wheel drive or walking track heading northwards.

All Day Bay Lagoon / Ōrore

This small coastal lagoon, 11 ha in area, is located 15 km south of Oamaru on the Kakanui-Waianakarua coastal road. The area was purchased by CSI Fish and Game in 1989. A natural sandbar acts as a weir and provides a small lagoon habitat for both waterfowl and wading birds. The sandbar forms and washes away with changing environmental conditions. At times the lagoon is drained and will only refill once the natural sand bar reforms. The lagoon and its birdlife are readily observed from the road. Visits from the occasional white heron or royal spoonbill are not uncommon and add to the scenic attraction of the area. All Day Bay Lagoon is also protected by a QE II National Trust Open Space Covenant. Three hunting stands are balloted annually by CSI Fish and Game Council for Opening Weekend. To hunt this wetland after Opening Weekend you must obtain a permit from CSI Fish and Game.

Devil's Bridge Wetland / Oāmaru

Owned by the Meikle Family Trust, this 15-ha lake and associated wetland is situated on Devil's Bridge Road some 6 km north west of Oamaru. By agreement between the owner and CSI Fish and Game, the area is managed by the Devil's Bridge Management Committee. Three stands are balloted each year by CSI Fish and Game for Opening Weekend. To hunt this wetland after Opening Weekend you must obtain a permit from CSI Fish and Game and contact the Trust representative Aaron Meikle Ph 0274 989 703 or aaron.meikle@gmail.com

Mid Summer Duck Season

In February 2005, a two-weekend summer duck hunting season was trialled, on condition that it was monitored to ensure there was no adverse impact on the traditional May duck season opening. The season is now well established and provides opportunities to hunt mallards and paradise shelduck that congregate around grain and green feed crops in February.

On or near Public Land

When hunting on or near public land be aware of two relevant sections of the Arms Act 1983. Section 45 states "Every person commits an offence who, except for some lawful, proper, and sufficient purpose carries; or is in possession of...any firearm." And "...the burden of proving the existence of some lawful, proper, and sufficient purpose shall lie on the defendant." Section 48 states "Every person commits an offence ... who, without reasonable cause, discharges a firearm ... in or near:

- (a) a dwelling house; Or
- (b) a public place, - so as to endanger property or to endanger, annoy, or frighten, any person."

The message is clear – be careful and considerate around other people and their property.

Chukar Hunting

To assist hunters in complying with clause 5 of the CSI Regulations, Hunting Diaries are available on request from the Fish and Game Office in Temuka, phone 03 615 8400.
