

# How to Build a Maimai

## Plans and Construction Guidelines

A well constructed and maintained Maimai or stand can only reflect positively on the pursuit of waterfowl hunting and ultimately contribute to an assurance that future generations of Kiwis will have the privilege of participating.

If you want to construct a Maimai, staff from around Fish & Game have some options for you:

Otago Fish & Game have some simple [plans](#) and you can watch this [video](#) that gives you insight into how to make it.

Auckland Waikato Fish & Game has put together two excellent resources on [Maimai Construction Guidelines](#) and detailed [Maimai Construction Plans](#).
